

SUBJECT: ICEU150 AIR/WATER COMPRESSOR

Number: 15-15
Product: Cuber
Date Issued: December 31, 2015
From: Technical Service

Several changes have been made to the ICEU150 Undercounter Series Cubers as part of our continuous improvement efforts. These changes will take effect beginning with Model Number **ICEU150A6** and **ICEU150W6**

1. The Compressor has been changed to a more efficient model.
2. This Compressor will be the replacement compressor for all revision levels.
3. The Expansion Valve has been changed to a more efficient model.

Compressor

For ICEU150 Air Cooled and ICEU150 Water Cooled units, the original compressor is no longer available. The replacement kit includes: a new compressor, starting components and liquid line drier. This kit enables versions listed below to use the new compressor.
