

MINIMUM ADVERTISED PRICE POLICY

Effective January 1, 2026

Updated: April 28, 2026

Ice-O-Matic has implemented a Minimum Advertised Price (“MAP”) Policy to foster more effective marketing and sales of Ice-O-Matic Equipment and Accessories, enhance the competitive position of its product line, and protect the brand image Ice-O-Matic has built in the marketplace.

**** This Policy applies to advertised prices both online and offline and shall remain visible to the customer in all print and media accessible to the public including: emails, newspapers, catalogs, magazines, flyers, brochures, television, radio ads and billboards.***

**** The “shopping cart” price is considered an advertised price and is within the bounds of this MAPP policy. Posts and placements that do not advertise a price for Ice-O-Matic products are considered to be in compliance with this MAP policy.***

1. Establishment of and Changes to MAPP Policy

Ice-O-Matic may modify this Policy at any time. Likewise, Ice-O-Matic may suspend this Policy for certain promotions or time periods at its sole discretion. Ice-O-Matic will notify Resellers at least thirty (30) days in advance of any change to the MAP Price, and Resellers must implement the new MAP Price by the end of such thirty (30) day period.

Ice-O-Matic is establishing this Policy unilaterally without Reseller involvement. The terms of this Policy are non-negotiable and will not be altered or suspended for any particular Reseller(s). Ice-O-Matic will not discuss any conditions or acceptance of, or related to this Policy.

2. Other Policy Terms

This Policy will be enforced by Ice-O-Matic in its sole discretion. Violations of this Policy may result in sanctions up to and including termination of our business relationship.

Authorized Ice-O-Matic distributors or Resellers are responsible for communicating the minimum advertised prices of the Ice-O-Matic products, the terms of this Policy and any future modifications to their dealer customers and others who may resell Ice-O-Matic products that Ice-O-Matic supplied to the authorized distributor.

3. Required Disclosure of all Company Names

Reseller (Internet) acknowledges full disclosure of all its corporate names and business names under its control (including DBA’s) to Ice-O-Matic.

Ice-O-Matic is not acting to restrict the price a dealer can sell product. The final sell price is at the discretion of the selling party. Ice-O-Matic’s requirement only impacts the price that a product may be advertised at.

- b. Reseller shall professionally and properly promote Ice-O-Matic products on their company website and within their showroom locations.

**MAP prices should be rounded to the nearest whole dollar. See prices attached.	

- g. This MAP policy is not applicable to service parts.
